SUMMARY

Software engineer based in Linz, Austria, from Iran. Hands-on across the stack: PHP, Java, and JavaScript/TypeScript on the front and back end, MySQL for data, and Angular for interfaces. Certified Scrum Master. Fluent in Persian, German, and English. Open to freelance, contract, or full-time.

EXPERIENCE

Software Engineer — Independent
2026–Present · Linz, Austria
- One-person studio. Design and build apps from the first sketch to a version a stranger can open.
- Saffron: Persian-first recipe wizard. Public Android preview. No account required.
- Persepolis: offline board and card games (backgammon, pasur, chess, Uno) over Bluetooth or a local hotspot.
- Delbar: dating app for Persian singles, in private development.
- God Economy: AI-agent city, in the workshop.
- Dr. Naseri Dental Clinic: booking site with online appointments, WhatsApp and email notifications, and Persian, English, and Turkmen.

EDUCATION AND CREDENTIALS

WIFI Linz — Full-stack / application developer training.
Coursework included a Java pet-management system with a database persistence layer.
